The 2018 Vintage was characterized by a trend that can best be summarized in a single word: calm. The harvest started on 20th September and ended on 5th October. From the outset, nature took its time; due to a harsh winter, the season started with a slight delay compared to the norm, and vegetative growth in spring was slow and steady, thanks to cool temperatures and heavy rainfall in May and June. The hot but never scorching summer and excellent temperature ranges enabled the vines to continue their development in a very balanced manner. This calm trend was subsequently mirrored in the harvest, which was among the longest in recent years. Nature took its time, and we like to be guided by its rhythms, so we adapted by arranging a phased harvest, according to parcels and sometimes even harvesting grapes from the same plot separately, so as to wait for the perfect ripeness of the lovely grapes that this vintage has bestowed on us. The wines have undergone fermentation in the cellar, again with the same calm that typified the entire harvest, which we are certain will also characterize the ageing period. We will wait to taste them, albeit impatiently, but know that by respecting nature's rhythms we will appreciate them even more.

Ruby red colour, not excessively bright, and with light garnet reflections. On the nose, floral aromas of violet, cyclamen and jasmine, notes of fresh fruit and spice. In the mouth it is well balanced, with a good structure and acidity as well as very smooth tannins and excellent persistence.

The elegance and harmonious structure of this new cru pair well with red meats, wild game including fowl, more elaborate dishes, and even mushrooms and truffles. Excellent with cheeses such as Parmigiano Reggiano and Tuscan pecorino.
