One of the best vintages in the last twenty years. The entire growing cycle of the vine took place under the best possible conditions. A cold winter with frequent heavy rainfall and low temperatures gave way to a dry spring with slightly above average temperatures, enabling uniform budding and perfect flowering. Showers in the summer months were scarce but fortunately heavy, which made it possible to carry out sustainable and environmentally friendly pest and disease management. Hot, sunny days with excellent day-night temperature variations enabled the bunches to achieve ideal ripening by the end of September: the berries were perfectly healthy and acidity was high, despite elevated sugar concentration. The harvest of Sangiovese, which was completed by the end of the month, delivered perfectly healthy grapes with a very thick skin, a prerequisite for long macerations and for wines with great ageing potential.

Complex ruby red color, limpid and brilliant. On the nose, scent of small fresh fruits and light morello cherry together with hints of blackberry and black cherries followed by a pleasant hint of vanilla. Good intensity and fragrance. On the palate it is warm, soft, with medium structure and balanced tannins. The wine is harmoniously dry, dynamic, and fresh with a good aromatic persistence.

Pairs best with typical Tuscan dishes of pure and straightforward flavours, like pasta and risotto with mushrooms or truffles, pork, grilled meat, and medium-aged cheeses.
Serve in large balloon glasses at around 18° C (64° F).
