The 2019 vintage turned out to be a patchy and inconsistent year from beginning to end, starting with early growth and ending with a late harvest. Due to an unusual winter that was harsh at the beginning and mild towards the end, budding was quite early, while the initial vegetative growth was slow due to the soil's scarce water reserves. In the month of May, abundant rainfall and below-average temperatures slowed down growth, cancelling out the initial vegetative advance, and thereby accumulating a delay of about 2 weeks compared with the average season. The beginning of June coincided with the beginning of summer, with clear weather and high temperatures continuing each day until August which was marked by cooler temperatures and some rain that was useful for replenishing the land's water reserves. This uneven trend continued until the harvest, which turned out to be one of the latest in recent years.

Complex ruby red color, limpid and brilliant. On the nose, scent of small fresh fruits and light morello cherry together with hints of blackberry and black cherries followed by a pleasant hint of vanilla. Good intensity and fragrance. On the palate it is warm, soft, with medium structure and balanced tannins. The wine is harmoniously dry, dynamic, and fresh with a good aromatic persistence.

Pairs best with typical Tuscan dishes of pure and straightforward flavours, like pasta and risotto with mushrooms or truffles, pork, grilled meat, and medium-aged cheeses.
Serve in large balloon glasses at around 18° C (64° F).
