

# SAN POLO

MONTALCINO

## Rubio 2018

TOSCANA IGT

### Grape varieties

100% Sangiovese

### Vineyard

San Polo

### Exposure

South/Southeast and South/Southwest

### Training system

Spurred cordon

### Density

7,000 vines/hectare (2,832 vines/acre)

### Harvest

Grapes are harvested by hand in small 17 kg crates during the second half of September

### Fermentation

In tapered refrigerated stainless steel tanks

### Length of fermentation

5/6 days

### Ageing

10 months in stainless steel tanks, 4 months in bottle

### Altitude

300-450 metres (984-1,476 feet) above sea level

### Soil characteristic

Rich in calcium and clay

### Planting dates

2000 – 2004

### Yield

6300 kg/hectare

### Vinification

After careful selection of the bunches, soft pressing of the grapes and cryomaceration prior to fermentation

### Fermentation temperature

28/30°C (82/86°F)

### Malolactic fermentation

In stainless steel tanks

Alcohol content	Total acidity	Residual sugars	Dry extract	Free SO <sub>2</sub>	Total SO <sub>2</sub>	pH
13.68% Vol	5.61 g/l	0.6 g/l	29.8 g/l	28 mg/l	70 mg/l	3.62

The 2018 Vintage was characterized by a trend that can best be summarized in a single word: calm. The harvest started on 20th September and ended on 5th October. From the outset, nature took its time; due to a harsh winter, the season started with a slight delay compared to the norm, and vegetative growth in spring was slow and steady, thanks to cool temperatures and heavy rainfall in May and June. The hot but never scorching summer and excellent temperature ranges enabled the vines to continue their development in a very balanced manner. This calm trend was subsequently mirrored in the harvest, which was among the longest in recent years. Nature took its time, and we like to be guided by its rhythms, so we adapted by arranging a phased harvest, according to parcels and sometimes even harvesting grapes from the same plot separately, so as to wait for the perfect ripeness of the lovely grapes that this vintage has bestowed on us. The wines have undergone fermentation in the cellar, again with the same calm that typified the entire harvest, which we are certain will also characterize the ageing period. We will wait to taste them, albeit impatiently, but know that by respecting nature's rhythms we will appreciate them even more.

Rubio has a brilliant ruby red colour with purple hues. Intensely fruity aromas, with notes of cherry, violet, and black currant, followed by spicy notes. Well structured and balanced, with pleasant tannins and great aromatic persistence. The sensations of berries and cherries, typical of the variety, give it great drinkability, in addition to considerable intensity and elegance.

cherry

strawberry

violet

raspberry

blackberry

This wine expresses all the radiance and directness of a Sangiovese from Montalcino counting on freshness; it is perfect by the glass, thanks to its versatility, and ideal for outdoor barbecues. Delicious when paired with various kinds of cold cuts, pasta, sausages and grilled meats, medium-aged cheeses such as the famous Tuscan pecorino. Excellent immediately, it does not fear brief cellar ageing. Serve at a temperature of 16° C (61° F).
